Topic: Notification of the signing of the project contract

Dear: Director and Manager of the Stock Exchange of Thailand

Light Up Total Solutions Public Company Limited (the "Company") would like to inform that on March 24, 2025, the Company signed a contract with Siam AI Corporation Limited to jointly operate the Commissioning Network and related equipment, with a contract value of approximately 300,000,000 baht (three hundred million baht), excluding value-added tax and other taxes. Revenue recognition and project delivery will commence within the year 2025. The contract covers the following operations:

Commissioning the network and procuring the related equipment

- Plan the setup, with the company being responsible for the operation of defining objectives and usage policies for the related equipment.
- Procurement, installation, and initial configuration. The company is responsible for the procurement and installation of the relevant equipment as planned and for the appropriate initial configuration.
- Testing and improvement: The company is responsible for conducting system stability tests and ensuring that related equipment operates as specified, and for making adjustments to suit the network system environment.

Sincerely

(Mr. Kittipong Vimolnoch)

Deputy Chief Executive Officer
